

Presentation of the Radnor Meeting Final Slate for 2021-22

The nominating committee will present the attached slate for approval at the June 27th Meeting for Worship with Attention to Business.

Over the past six months the Nominating Committee members, Bidi McSorley, Chris Hay, Doug Ross, and Clerk Patsy Higgins, have been working hard to match the individual interests and skills of our members and attenders with the needs of Radnor Meeting. In preparing the slate of committees and meeting wide positions, we have tried to create the support system that is needed to maintain and nurture our spiritual community, our financial needs and our property. At the end of the process, we bring our work before you, seeking Meeting approval for the committee structure and membership for the upcoming year.

Your generous response to our outreach efforts has been inspiring, revealing a deep commitment by many individuals to our community. We listened carefully to you during these conversations. From them we have tried to balance the skills and institutional memory provided by veteran committee members with the opportunity for new members to apply their energy developing fresh areas of expertise.

Creating the slate represents only part of our task. We are also committed to remain interested and supportive of the work you will be doing throughout the year. We have spoken with all the committee clerks and most committee members individually and discussed their challenges and achievements. Inevitably we sometimes hear of frustrations experienced as committees work to complete the tasks they are called to complete.

To understand and honor the work we each do to support our meeting and to minimize these frustrations, we encourage everyone to review the job descriptions of not only the committee(s) that each of us have volunteered for, but also of all the other committees, so that we can appreciate their goals and respect their service.

We are reminded that beyond all is the Spirit, which connects us, which is why we worship together, seek together, and serve together. We are blessed to see the Spirit in your willingness to step forward and serve.

The nominating committee is deeply grateful to you all for your service.

Bidi McSorley, Chris Hay, Doug Ross, and Patsy Higgins
